Executive Degistry

The Honorable Francis E. Walter House of Representatives Washington, D. C.

Dear Mr. Walter:

25X1

Thank you for your letter of 11 March 1959 regardin

was interviewed in our personnel office on ll March at which time he reviewed his qualifications and employment interests. His present proficiency in Chinese is not sufficient to qualify him for a linguist position; he did mention that he planned to take additional courses in Chinese after he leaves the service and might later qualify for such assignment. He expressed primary interest in an operational assignment and was advised that we had no suitable vacancy for which he could be considered and he did not complete formal application papers.

We would be glad to consider spplication for other positions for which he might be qualified which are not so closely related to the interests he expressed during his interview, and shall invite him to return for additional interviews to explore such possibilities.

Your interest in is appreciated and we shall advise you of the outcome of his application.

Sincerely,

Allen W. Dulles
